Item description: Blurring the lines between action apparel and everyday design, ODLO has created these ladies Wedgemount pants as part of our hybrid Off Course collection. Developed for the inner city and the wild outdoors, these flexible and comfortable pants have been cut from a lightweight and fast drying nylon weave to ensure unrivalled protection from the elements. Treated with a DWR coating for ultimate water repellency, these articulated and ergonomic trousers are a future-thinking update on your favourite canvas classic. Designed with handy pockets for storing the essentials, style these regular fit pants with wardrobe favourites and specialised outdoor clothing for any environment.

We hereby declare that above mentioned product has been produced in accordance with the following regulations and directives
