

To strengthen our Product Development Team at our Manufacturing plant in Romania, we are looking for an experienced

Product Developer (100%)

In this role, the Product Developer initiates and monitors all aspects of the product development process in close collaboration with the Product Development team in Odlo International. The Product Developer ensures the overall quality of the products and is responsible for the following main tasks:

- Guide and influence the product development process toward timely commercialization of product;
- Ensure the style is manufactured efficiently as possible;
- Ensure that all dates are kept within the development calendar;
- Ensure that all styles within the category are delivered on time to ODLO quality for the category;
- Ensure that all development documentation is kept up to date and is correct (BOM, TI SHEET, SAMPLE COMMENTS);
- Communicate with vendors, product team members and manufacturing team to ensure a smooth product development process;
- Ensure prototypes accurately reflect construction specifications and the best quality product is achieved with correct workmanship/construction;
- Understand the construction and workmanship of garments throughout the entire sewing process;
- Make suggestions of workmanship that is of high quality while still achieving that target margins;
- Pattern Making or Garment Fitting experience is highly desired;

We are looking for a candidate with the following background:

- 2-5 years expertise in a similar role, preferably within the sports/textile industry;
- Bachelor's or trade degree in product development/pattern/design;
- Very good IT knowledge in Illustrator, MS Office, PLM tools;
- Very good language skills in English,;
- Ability to communicate well, to make contact easily and to work in a team;
- Ability to learn and develop fast and to work well under pressure.

Are you interested to work within a dynamic, fast changing organization in the exciting world of sport with strong ability for advancement? Can you identify with the Odlo brand? Send us your complete application – we look forward to receiving it. **Only online applications will be considered.**

ODLO – ENGINEERS OF ACTIVE LAYERS

Born in Norway and engineered in Switzerland, Odlo offers performance sportswear across 6 categories: functional sport underwear, running, training, cycling, Nordic disciplines and outdoor.

With more than 70 years of heritage, Odlo, the inventor of performance sports underwear and the three-layer principle, continues to innovate, always making sure that it stays one step ahead, and is distributed in over 35 countries.

As a full-year performance brand, Odlo also shows strong commitment towards social and environmental sustainability, and is proud of its leader status at the Fair Wear Foundation.
