Item description: Cool, comfortable and protective – the Ceramicool Beanie is perfect for summer activities in the extremes. Thanks to the construction from the outstanding Ceramicool Mesh fabric, the ODLO Ceramicool Beanie is comfortable, can keep your skin cooler by up to 1°C and offers excellent moisture management. For sunnier days, it offers sun protection, whilst minimum seam construction eliminates irritation caused by rubbing. Meet your targets with a cool head in this comfortable and protective beanie for the outdoors.

We hereby declare that above mentioned product has been produced in accordance with the following regulations and directives
