To strengthen the Designer Team at our Headquarter in Huenenberg/ZG, we are looking for an experienced

Senior Designer Outdoor 100% (m/w)

With good feelings for new trends your focus will be on the creative direction for our outstanding outdoor and performance wear. Your focus will be on designing the collection according to the collection plan and target consumer, creation of colour concepts and mood boards, trend and market researches as well as evaluations of shapes and fits of the products. Intensive teamwork with the category managers and product developers as well as design colleagues are a must for a successful execution. You will support the team in all design related questions and you will work on different projects, visit trend seminars, do store checks and attend sport fairs regularly.

To be successful in this position, you have a degree in design and already gained experience in similar roles. You are well-versed in the world of textiles and design, have good product knowledge and a keen instinct for designs, trends and consumer requirements. We are looking for a dynamic person with very good personal skills, who works with a focus on finding solutions and is able to keep track of things even in hectic periods. You like to work independently and furthermore, you have a profound Mac knowledge, especially Adobe Illustrator and Photoshop. You also have a very good level of written and spoken English.

Are you interested to work within a dynamic, fast changing organization in the exciting world of sport with strong ability for advancement? Can you identify with the Odlo brand? Send us your complete application including portfolio – we look forward to receiving it.

ODLO – ENGINEERS OF ACTIVE LAYERS

Born in Norway and engineered in Switzerland, Odlo offers performance sportswear across 6 categories: functional sport underwear, running, training, cycling, Nordic disciplines and outdoor.

With more than 70 years of heritage, Odlo, the inventor of performance sports underwear and the three-layer principle, continues to innovate, always making sure that it stays one step ahead, and is distributed in over 35 countries.

As a full-year performance brand, Odlo also shows strong commitment towards social and environmental sustainability, and is proud of its leader status at the Fair Wear Foundation.
