Item description: The Wedgemount zip-off pant is a all year round work-horse, perfect for a wide range of activities from a walk in the forest to longer hiking trips. The 2-way stretch fabric ensures a great freedom of movement, and the fabric is robust enough to withstand the rigours of outdoor use, whilst the zip-off function provides the option to quickly transform into a short when it starts to get warm. Additionally, the surface is PFC FREE DWR treated, so the pants can withstand light rain.
