Item description: Made for long days in the summer sun, the new F-Dry short sleeve polo from ODLO is the ultimate summer polo. This specialised polo dries faster in hot weather conditions thanks to F-Dry Eyelet Effect material which employs a push-pull-effect that pulls moisture away from you and pushes it outward to be efficiently evaporated. A regular fit flatters every shape and feels comfortable while allowing you to stretch and move in every way you need. Effect by ODLO treatment gives this garment anti-odour properties while high 30+ UV protection keeps you protected from the sun on the links or out on the trails. Get modern fabric tech and classic style in one functional top with ODLO's F-Dry short sleeve polo.
