Item description: Engineering powerful sports separates based on intelligent innovation, ODLO has created these fiercely feminine Wedgemount shorts as part of our popular Outdoor Performance range. Developed using more than 70 years of research into technical sports apparel, these performance shorts have been cut from a stretch nylon plain weave fabric with added elastane for improved movement. A versatile design, these active shorts have been treated with a DWR water resistant coating and feature a protective UV 50+ shield for added seasonal durability. Practical and fast drying for all-weather wear, these form-fitting cut-offs also include handy zip pockets for storing the essentials.

We hereby declare that above mentioned product has been produced in accordance with the following regulations and directives
