Item description: Modern materials and classic style are paramount in the design of ODLO's new F-Dry Polo short sleeve top for men. Get more out of your time on the links, on the court or in your everyday life thanks to the ultra fast-drying and refreshing F-Dry technology in this Polo top. Push-Pull-Effect pulls moisture away from your skin and pushes it away from you for faster evaporation when the heat's turned up. Meanwhile, high 30+ UV protection helps keep your skin better protected from the sun when you're enjoying the summer outdoors. With the F-Dry Polo short sleeve top from ODLO, you don't have to choose between style and substance.
