

To strengthen our International Material Management Team at our Headquarter in Huenenberg/ZG, we are looking for a motivated and innovative

Junior Material Developer (100%)

In this role, the Junior Material Developer is responsible for initiating and monitoring all aspects of the material development process in close collaboration with Design, Product Management, Product Development and Pattern Making. The main responsibilities include the following tasks:

- Source and develop innovative and seasonal materials that meet ODLO's requirements;
- Guide and influence the material development process toward timely commercialization of materials and colours in collaboration with Design, PM's, Quality & Production as well as Logistics;
- Ensure that materials meet or exceed their target prices;
- Ensure that all dates are kept within the material development calendar and that all seasonal and innovative materials are delivered on time to ODLO quality;
- Communicate with vendors, own production, product team members or others to ensure a smooth material development process;
- Pro-actively research and develop fabric innovation, be well informed of new technologies, seasonal trends and competition;
- Request all headers, swatches, sampling fabrics and prepare presentation materials.

We are looking for a candidate with the following background:

- 1-2 years working experience in a similar role, preferably within the sports industry;
- Textile-related education is a must;
- Innovative, open-minded personality with a structured and analytical mind-set and a good understanding of textiles;
- Team player with the ability to interact in a professional manner with all levels of ODLO employees;
- Very good language skills in English, German is a plus.

Are you interested to work within a dynamic, fast changing organization in the exciting world of sport with strong ability for advancement? Can you identify with the Odlo brand? Send us your complete application – we look forward to receiving it.

ODLO – ENGINEERS OF ACTIVE LAYERS

Born in Norway and engineered in Switzerland, Odlo offers performance sportswear across 6 categories: functional sport underwear, running, training, cycling, Nordic disciplines and outdoor.

With more than 70 years of heritage, Odlo, the inventor of performance sports underwear and the three-layer principle, continues to innovate, always making sure that it stays one step ahead, and is distributed in over 35 countries.

As a full-year performance brand, Odlo also shows strong commitment towards social and environmental sustainability, and is proud of its leader status at the Fair Wear Foundation.
