Article: 560451 - Pants 3/4 WEDGEMOUNT

Item description: The Wedgemount 3/4 pant is a year round work-horse, perfect for a wide range of activities from a walk in the forest to longer hiking trips. The 2-way stretch fabric ensures a great freedom of movement and the fabric is robust enough to withstand the rigours of outdoor use. The unique 3/4 length allows for a shorter coverage versus the pants, especially practical for in-between seasons or chilly summer days. Additionally, the surface is PFC FREE DWR treated, so the pants can withstand light rain.
